Family Activities

Complete as many of the following as you can either individually or with a small group!

1. **9 Square** Join us for a game of 9 Square—a combination of volleyball and four square!
2. **Family History Twister** Ready for a game of Family History Twister? A familiar game with a little twist!
3. **Ancestor Games** Come try your hand at games your ancestors played!
4. **Mayflower 400th Anniversary Activities** Discover activities from the days of the Mayflower including corn husk dolls, marbles, checkers, and more!
5. **Discovery Experiences** Discover more about your family history with Picture My Heritage, take a selfie for your FamilySearch profile picture, find a name to take to the temple, and more! Share using #rootstech.
6. **Throwback Photo Challenge** Find a photo in your phone gallery that you can tell a story about; post it to your photos on FamilySearch and add the story (either written or voice recorded).
7. **Exhibitor Activities** Visit booths around the Expo Hall for fun activities!
   - **American Ancestors** (booth 835) American Ancestors and NEHGS 175th Birthday Party! Join us at our booth for activities, treats, and giveaways.
   - **Ancestry** (booth 805) Pick up an Ancestry version of Table Topics, a game of family-themed questions that'll have people talking, laughing, and listening.
   - **Bureau of Land Management** (booth 536) BLM's Seymour Antelope will make an appearance at the BLM booth!
   - **Family ChartMasters** (booth 1317) Picture Pedigree Coloring Page. Snap your photo and color!
   - **Family Locket Genealogists** (booth 1743) Find-a-Name Scavenger Hunt—win a bookmark!
   - **Legacy Tree Genealogists** (booth 429) Do you LOVE family history? Aspiring genealogists, young and old, can stop by for their official badge and a treat!
   - **Narrativo** (booth 225) Film a mini video interview of your family member.
   - **Nordic Genealogy** (booth 437) Learn how to make the popular and traditional women Scandanavian hearts.
   - **StoryTree.com** (booth 233) Learn how to use the StoryTree app to record memories.
   - **The Family History Guide** (booth 933) Spin The Wheel—It’s your turn to show, tell, and win a prize!
   - **Tinker’s Towers** (booth 1643) Draw a family member in a free 3D-printed frame!
   - **Treasured** (booth 1746) Engage children to build and explore interactive 3D family archives.
   - **Utah Genealogical Association** (booth 1510) Utah history hopscotch.
   - **Visit Fort Wayne** (booth 439) Grab a Fort Wayne postcard and learn how to start your family history. Color in your postcard at your booth and we will mail it for you!
   - **Your DNA Guide** (booth 1307) DNA talks! What does yours say? Think “Choose Your Own Adventure” books, but in game format and about DNA!
8. **Time Capsule Worksheet** Answer some fun, simple questions about yourself! Take a picture of the paper and save it on FamilySearch so you can look back in a few years on what your life was like.
9. **What’s Your Story?** Write a little blurb of a piece of your story.
10. **Flip-books** Take a 7-second video with your friends and get a custom photo flip-book on the spot.
11. **Virtual Reality Homelands** Step into your ancestors’ shoes and explore your ancestral homelands with our VR experience!
