Complete as many of the activities as you can either individually or with a small group!

**9 Square**
Join us for a game of 9 Square. A combination of volleyball and four square!

**Family History Twister**
Ready for a game of Family History Twister? A familiar game with a little twist!

**Escape Room**
Test your mettle by going against the clock to best this RootsTech Escape Room.

**Throwback Photo Challenge**
Find a photo in your phone gallery that you can tell a story about; post it to your photos on FamilySearch and add the story (either written or voice recorded).

**Time Capsule Worksheet**
Answer some fun, simple questions about yourself! Take a picture of the paper and save it on FamilySearch so you can look back in a few years on what your life was like.

**Flip-books**
Take a 7-second video with your friends and get a custom photo flip-book on the spot.

**Virtual Reality Homelands**
Step into your ancestors’ shoes and explore your ancestral homelands with our VR experience!

**Ancestor Games**
Come try your hand at games your ancestors played!

**Discovery Experiences**
Discover more about your family history with Picture My Heritage, take a selfie for your FamilySearch profile picture, find a name to take to the temple with Ordinances Ready, find out who in your family you most look like, and more! Share using #rootstech.

**Find Your Homeland Stickers**
Do you know where your family comes from? Grab a homeland sticker and find 5 other people with the same sticker. Take a picture together and then share using #rootstech.

**What’s Your Story?**
Write a little blurb of a piece of your story.

Open your camera app and scan the QR code for a digital copy of this flier!
